Subject: Approval of Updated Reclamation Surety, Chemical Lime Company of Arizona, Grantsville Quarry, M/045/0028, Tooele County, Utah

Dear Messrs. Wilson and Barry:

The Division of Oil, Gas and Mining has received the reclamation contract and your bond rider replacement reclamation surety for the Grantsville Quarry, located in Tooele County, Utah. The increase in the surety amount was made in response to a periodic review. The Division sent a letter dated May 8, 2008, requiring that the surety be increased from \$398,300.00 to \$466,240.00.

The surety amount has been escalated to 2012 dollars, so it will not need to be reviewed again until 2012 unless you amend or revise your mining and reclamation plan.

Thank you for keeping the reclamation surety current. If you have any questions concerning this letter, please contact me at 801-538-5261 or Leslie Heppler at 801-538-5257.

Sincerely,

Paul B. Baker
Mining Program Coordinator
